

Artists and community connecting to create and celebrate visual arts!

## Mary June Impson Scholarship Fund Contribution

The Visual Arts Society of Texas is a non-profit organization that provides opportunities for developing artists' skills and expression. To fulfill this mission, workshops are offered each year by well-known artists from throughout the United States. VAST offers a scholarship for each workshop so that a high school or college student can attend. Tax-deductible contributions may be made to help finance these scholarships.
